BEFORE YOU RIDE

MECHANICAL BULL RIDER RULES

1. One rider on the bull at a time.
2. Riders must be at least 48 inches tall and under 300 pounds.
3. Every rider signs the waiver before riding.
4. Listen to the operator and follow their instructions.
5. No riding after drinking alcohol or using drugs.
6. Take off loose jewelry, glasses and anything in your pockets.
7. Hold the rope with one hand. Keep your free hand up.
8. When you fall, let go and roll. Don't land on stiff arms.
9. After a fall, get up and move away from the bull right away.
10. Stay off the mat until the operator calls your turn.

If in doubt, sit it out. Watching is half the fun!
